To Whom It May Concern

As Sembol Construction Co. , we would like to inform you that Artcan Agriculture and Greenhouse Building & Operating Co. has been a well-known Turkish company with their projects in Turkey and Russia for almost twenty years.

We always have been in contact with them during these years and have a good partnership in terms of brainstorming sessions and to develop new ways for further improvement.

Artcan Agriculture and Greenhouse Building & Operating Co. is the professional partner for any investor who would like to realize state of arts projects in agriculture sector based on their know-how and work ethics.

Their motto is “continue together” for any partnership they participate at.

As Sembol Construction Co., we recommend Artcan Agriculture and Greenhouse Building & Operating Co. to anyone seeking for professional solutions and satisfying results.

Yours sincerely,

S. Sinan Özkoçer
General Manager
